

**A BIG THANK YOU TO DOG OWNERS WHO PUT IN A
BIG EFFORT TO KEEP OUR TOWN CLEAN**

However, there are some people who have no regards for others, our environment, well-being of residents, including people they know.
Please note that:

- It is an offence to not clean up after your dog in a public area
- Offenders can be fined up to £1000

Thankfully, most residents take pride in keeping Rhuddlan clean and tidy.
There are now 7 Dog Bag dispensers in the community:

- Admirals Playing Field
- Vicarage Lane Playing Field
- The Nature Reserve – 3 dispensers
- By the River.

These have been placed here to encourage people to use the bags and bin them in a responsible manner.

Many thanks to our volunteers for keeping them stocked up.

**Join us in keeping Rhuddlan a great
place to live and work!**
