Matters Arising

- a. **Welcome Sign** – The Town Clerk reported that DCC is awaiting the sign manufacturer to provide a delivery date.
- b. **Admiral's Field Treeline** – There was a concern that children had been climbing on the new hedge and Ysgol y Castell Head had circulated a letter to parents warning them of this and the danger it posed.
The Town Clerk confirmed the thank you letter had been sent.
- c. **Council's Tourism Video** – The update of the video has been delayed due to the poor health of the person completing this work. Web Studio are hoping to have this completed by the end of next week.
Members also acknowledged the Town Clerk's work in arranging for the Castle to be lit up in yellow to remember the victims of Covid 19. The Clerk added that DCC technical staff at the Pavilion Theatre had been very helpful with this. Cllr Arwel Roberts proposed that a letter of thanks be sent to Jamie Groves CEO of Denbighshire Leisure Ltd, seconded by Cllr Mike Elgin. **Resolved.**
- d. **Dementia Group** – Unfortunately Cllr Arwel Roberts could not attend the virtual National Conference but Cllr Mike Kermode did, and updated Members on the event. Cllr Kermode highlighted the National Dementia Week from the 17th – 23rd May which the local group will make people aware by placing posters on the community noticeboard. Rhuddlan Dementia Group will also be holding their own week of events hopefully in June to observe Covid restrictions currently in place. Adding that the Sit & Keep Fit sessions are due to commence in the community centre after May 17th for 15 persons only as restrictions are lifted.

 - Pentre Lane bus shelter – DCC will check electricity supply working before progressing.

- Ffordd y Nant – needs consultation. **Resolved**
 - Catholic Church – Clerk to contact Sue Wyn Jones or Prestatyn priest to investigate further. **Resolved.**
 - Bowls Club – The Club will like to purchase a defibrillator but would the Council purchase one for them and the club will reimburse the Council. This to be considered in the future.
 - The Project Officer enquired if Rhuddlan had a First Responder group and explained how such a group worked in Caerwys. The Mayor wasn't aware of such responder but will make enquiries.
- g. **Town Centre Awnings** - The Project Officer said that the survey should be complete by the end of the week, drawings by the end of next week, and planning application submitted thereafter. This was then followed by an update on those businesses interested in phase 2, and that there is a potential DCC funding for another phase.
- h. **Provision of Benches** – The Clerk reported that the bench near Parc Edith was now in place, and referred Members to a list of proposals for more benches suggested at the February Council meeting for discussion.

 - Rhyl Road area/Highland Close area/Abergele Road area – Members discussed the need to consult before proceeding with these areas noting why provide them if the residents near the sites are not asking for them. Cllr Syd Gaskin proposed that these sites not be considered for benches, or any other sites, unless residents ask for them. Cllr Arwel Roberts seconded the proposal. **Resolved.**
- i. **Bird Droppings** – Members discussed the issue noting that the tree owner did not want to cut back the tree parts that overhang the pavement. Members agreed to ask residents and businesses to display "No Dog Fouling" posters in their windows. Proposed by Cllr Jackie Burnham, seconded by Cllr Mike Kermode. **Resolved.**

Similarly, signs informing dog owners the direction of the nearest litter bin and stickers for putting on lampposts to be erected by Council. Members agreed that this could be considered as fly posting and that the Town Clerk needs to check with DCC. **Resolved.**

- l. Cycling on Pavement** – The Clerk is trying to arrange a meeting with the Sustrans Cycling Officer & DCC Officer responsible for cycle routes to discuss the reoccurring issues around this dangerous practice.

- n. Coed y Brain** – The Vendor has informed the Clerk that all the documents have been signed by him and the Clerk is now awaiting confirmation that the purchase has been "Completed". Members asked the Clerk to inform them when this is done, and invite them to attend a photo shoot on site to advertise the purchase for the community.

Gas Boiler v Air Source Heat Pump – In response to a Members resolution in March the Project Officer had circulated a report comparing the best method of heating the building and water.

There then followed a thorough discussion on the report's findings with particular reference to government incentives, set up costs, running costs, maintenance costs, inclusion of solar panels, and Council's desire to embrace renewable energy sources. Cllr Mike Kermode made a 2 part proposal. Part 1 that the gas supply be made to the building and to provide a gas condensing boiler large enough to supply showers with hot water. Part 2 the solar panel provision be considered only if there is a grant to support this. Both parts were seconded by Cllr Syd Gaskin. **Resolved.**

The Project Officer was thanked for his diligence and hard work in this matter.

- o. Mud on Station Road** – The Town Clerk confirmed that letters had been sent to local farmers asking them to clean the highway after their work but Members noted that it was still there. It was agreed to monitor the situation and inform DCC by sending them a copy of the letter. **Resolved.**

- a. The Town Clerk circulated the list of payments to be approved by Members. **Resolved.**

11. Community Matters

- a. Cllr Arwel Roberts had received a plan for consideration from the Rhuddlan Community Group for a Peace/Remembrance Garden. This was aimed not only for those who had lost their lives due to Covid, but also those who have died through other medical problems, illnesses, or accidents. Cllr Roberts highlighted the types of planting they had suggested, the area required, and the offer that the group would meet the cost along with a bilingual plaque of commemoration.

Members discussed the ideas showing some concern for the area size required, the suitability of plants, and grass maintenance of the remaining area.

Cllr Arwel Roberts proposed that Council agree to the idea, seconded by Cllr Bleddyn Williams. **Resolved.**

Cllr Mike Kermode abstained.

- b. Cllr Roberts had also received a complaint from a resident about littering on Admiral's Field, broken glass, and dog waste.

Members highlighted the presence of alcohol discarded cans, playing of loud music, and litter from takeaways such as McDonalds, KFC, and chip shop. It was suggested that signs be erected about the presence of CCTV and to place dog waste in litter bins.

The Town Clerk informed Members that the police had been informed and said they would visit the site to monitor.

Cllr Mike Kermode proposed that a response be sent to the resident saying that the Council shares these concerns and the complaint passed on to the police. **Resolved.**

Cllr Jackie Burnham asked what signage was currently in place, and what if any public orders had been undertaken e.g., Environmental Crime Enforcement Area, or Designated Public Place.

The Assistant Clerk is to check the various signs already in place at Admirals Field when next inspecting the playground. **Resolved.**

c. Members were also informed of a resident criticizing a Member with regard to the Town Pan not being received. Councillors noted that they had not been delivered due to the Covid pandemic restrictions and that when it is safe to do so, another article would be placed in the Parish Magazine explaining the reason and that it will now be delivered. **Resolved.**

a) **CCTV .**

The destroyed barriers by the chemist has been an incident which has been thoroughly inspected by the police and one of Denbighshire officers. They hope with the aid of the camera coverage that the culprits can be caught and fined.

b) **Active Travel Scheme.**

If you the time and energy contact Ben Wilcox Jones regarding this scheme. Remember it's part of our Town Plan.

c) **Ysgol y Castell.**

Invited as the Chair of the Governors and the L E A governor to a virtual meeting headteacher and deputy headteacher also with two officers from the education department to look at plans for extending the building.

Four governors including myself were part of an interview process to appoint a new Deputy Head. Eight applications , the short list of four were very good and we were very happy to appoint a teacher within the school Mrs Joanne Bickerstaff. This virtual process was far longer than Town Council Meetings.

The headteacher agreed to send a letter to parents regarding pupils playing in the new layered hedge in Admiral Field.

d) **Public Footpaths.**

You may recall that I contacted the County Department regarding a public footpath . The Officer has informed me that the work is in hand and it's unlikely to start until after April the 1st.

e) **Flooding- Natural Resources Wales.**

During our Elwy Mag meeting I had a chance to thank NRW for the work they have done in Pont Robyn. I also suggested that on the right hand side of the river Clwyd towards Rhyl from Rhuddlan that the land should be returned to be a flood plain and this could alleviate problems with flooding in other areas within the river catchment . It's an item they are well aware of, but we are looking at ten years from now.

Since there was a representative from Denbighshire flood team also present, I noted orally that the area at the bottom of Gwindy Street and Kerfoot Avenue is still a concern for residents. Denbighshire officers seem to be ignoring the issue.

Flooding will always be with us, but decisions taken in the past has not been of assistance. The building of Clôs David Owen hasn't helped the Town Cemetery for instance.

Cyfnod prysur ac annisgwyl.

An unexpected second term as Mayor and a busy period during lockdown.

It is good to note that two new businesses have just opened in the town, Baileys and Caked. We wish them well.

The three hotels/pubs have really prepared well to the relaxing of the rules regarding Covid. I was very pleased to be invited to open the outside facilities in the New Inn Hotel at 11am on Monday 26th of April, the day that the lockdown for outside service was relaxed. I am sure that all of the Town Council wishes success and prosperity for all the businesses in and around Rhuddlan in the future.

On the afternoon of 30th of April I was invited to the opening of the new season for the Rhuddlan Bowling Club. The main invitee was the Honourable Sheriff of Clwyd, Mr Steven Thomas. Awen and I were so pleased to meet him again and thanked the Bowling Club's officers especially the chairperson, Mr David B Evans, for a very special occasion.

Later that afternoon I received the keys to Coed y Brain, so can now make progress with this community facility on Admiral's Playing Field. We also took the time for me, the Mayor-elect and the Deputy Mayor-elect to swap our chains of office. Cllr Mike Kermode kindly acted as photographer on that day and also on many other occasions when I have been present. Diolch Mike! Also, many thanks to the other members who were present at Coed y Brain and the apology from Cllr Reg Davies.

My time as Mayor is ending. When I was invited to be Mayor in 2019 for a year, I never thought it would be for two years. The pandemic has changed our lives and I accepted the second year as Mayor full of faith. It hasn't been easy, but compared to other residents, my wife and I have been very lucky. We commiserate with all who have lost loved ones during the lockdown periods.

As you are aware I had a special birthday in November and Awen and I were very impressed with the amount of money collected for Breast Cancer Wales/Breast Cancer Research, it was over £1000. Other good causes we have raised money towards are the local surgery Rhuddlan Iach (£250), the Royal British Legion (£250) and our local school Ysgol y Castell (£800). Many thanks to all supported these activities.

To end my last report as Mayor, Awen and I thank our Clerk and her two lieutenants for all their hard work. Paul Smith and Steve Wilson have been a tower of strength to Sian our Clerk and myself. The work that Steve has managed on projects such as the businesses' awnings (canopies), shows that our decision to have a Project Officer is clearly paying dividends.

The last two years have not always been easy for our Clerk. I will not go into details but during this last year she has to deal with unfair and undeserved pressures from a certain

quarter. The Council has responded positively to protect our staff by agreeing new policies that cover Dignity at Work, Discipline and Grievances.

The continuing lockdown has meant that we still cannot do face-to-face meetings of the Council but we have coped very well using Zoom although there was certainly a learning curve for all of us, many thanks to Cllr. Gareth Rowlands for acting as the host.

Thanks to all councillors who distributed the Town Plan around the residents' houses and local businesses, there are still copies available in Fachwen.

I wish the next Mayor, my Deputy this year Cllr Mike Elgin all the best. It has been a pleasure to work with him and he will have my full support as will the Deputy Mayor, Cllr Andrew Smith.

Diolch yn fawr.

Arwel ac Awen

Rhuddlan Town Council,
PO BOX 224,

Dear Sirs,

We write to you to outline our concerns with regards to the dual carriageway which runs adjacent to our property in Rhuddlan. The road to which we are pertaining is a section of the A525 which bypasses the town.

Our concerns are as follows:

- We are frequent users of the footpath crossings, and as we have two very young children (2 year old and a 3 year old) we find it alarming that a number of cars exceed the speed limit along this stretch of road, making it very difficult to cross safely at times.
- Our house is situated on Ffordd Ffynnon, and is immediately adjacent to this road, as are a large number of houses. There is an issue with noise pollution which means that we are unable to have our windows in our house open, as the noise from the road is too loud. We have also had instances where vehicles have been speeding at night, and the noise from this has woken the children.

We have observed in other areas where the towns are within close proximity to a fast road, that steps have been taken to reduce the speed of vehicles on these roads in order to reduce the noise pollution, and for safety where there are public footpaths also present. We would ask the council to consider the installation of sound proofing barriers to improve the noise pollution problem, and to also consider a reduction in the speed limit over this section of the road.

With a number of young children living in close proximity to this road, we also find ourselves concerned with air pollution caused by the speed of vehicles on this stretch of road.

We would appreciate your consideration and look forward to a reply.

Yours faithfully,

Complaint received from member of public regarding new shop

Item 6d

First impression of 'CAKED:'

In my view, this new shop's signage lowers the tone of Rhuddlan High Street!

Do town councillors need to address this?

Is this shop in fact ever open, some residents query?

I believe in progress but I feel strongly too that standards should be carefully maintained including signage of shops in our historic high street.

Indeed, in some cases, there is a need for a conservative approach, in the non-political sense, to ensure we hold what we already have!

Fe hoffwn gael gwared ar ffonau talu yn eich ardal felly rhannwch eich barn os gwelwch yn dda. Mae ein cyfnod ymgynhori o 90 diwrnod yn dod i ben ar 8 July 2021.

Annwyl Brif Swydddog Cynllunio,

Rydym yn adolygu'r galw am ffonau talu yn gyson, ac rydym wedi nodi 16 ffôn yn eich ardal nad ydynt yn cael digon o ddefnydd. Rydym yn bwriadu cael gwared arnynt dan reol adolygiadau 90-diwrnod Ofcom. Atodwn y rhestr o ffonau talu dan sylw.

I sicrhau fod y cyhoedd yn gwbl hysbys o'n bwriad, rydym wedi gosod arwyddion gyda manylion y broses adolygu (gan gynnwys dyddiadau) yn y bocsys ffonau dan sylw. Atodwn gopi a'r arwydd.

Eisiau cadw bocsys ffôn?

Gyda'r defnydd o ffonau talu yn lleihau, mae cymunedau'n edrych am ffyrdd amgen o'u defnyddio. Mae miloedd wedi cael eu troi'n gaffis, llyfrgelloedd bychain a safleoedd diffibrilwyr. Gall y rhan fwyaf o bocsys ffôn gael eu mabwysiadu gan y gymuned am £1. Gall bocsys gwydr modern gael eu mabwysiadu os yw cymuned yn awyddus i gael diffibrilwyr. Ewch i bt.com/adopt am fwy o wybodaeth.

Pam diddymu ffonau talu?

Mae'r defnydd cyffredinol o ffonau talu wedi gostwng o 90 y cant dros y ddegawd diwethaf ac mae'r angen am ffonau talu mewn sefyllfaoedd argyfyngus yn gostwng o hyd, gydag o leiaf 98% o'r Deyrnas Unedig bellach gyda signal ffôn symudol. Mae hyn yn bwysig oherwydd cyn belled â bod signal ffôn, mae'n bosib galw'r gwasanaethau brys, hyd yn oed os nad oes signal gan eich darparwydd rhwydwaith ffôn symudol penodol chi.

Fe ganfyddodd adroddiad fforddiadwyedd Ofcom sawl mlynedd yn ôl nad ydy'r rhan fwyaf o bobol yn ystyried ffonau talu yn angenrheidiol yn y rhan fwyaf o amgylchiadau.

Beth ydym yn gofyn i chi wneud?

Byddem yn gwerthfawrogi eich cymorth ac adborth i weld os oes dal angen y ffonau talu.

Mae datganiad Ofcom yn rhoi'r cyfrifoldeb am ymgynghori â'r cyhoedd ynglŷch â chael gwared ar ffonau talu ar yr awdurdodau lleol. Fel arfer, bydd Ofcom yn disgwyl i'r ymgynghoriadau yma gynnwys mudiadau cyhoeddus eraill fel cynghorau cymuned neu blwyf, a gweithio o fewn termau Deddf Cyfathrebu 2003.

Beth i'w wneud nesaf

Cwblhewch a dychwelyd y ffurflen atodedg gyda'ch penderfyniad ar y ffonau talu dan sylw, a'i ddychwelyd i btp.authorisation.team@bt.com os gwelwch yn dda. Cadwch brawf eich bod wedi danfon yr ebost, neu ddefnyddio derbyneb danfon (*read receipt*) os gwelwch yn dda.

- Dewiswch **cytuno** os ydych yn fodlon i ni gael gwared arno.
- Os yw'r gymuned leol am fabwysiadu'r bocs ffôn, rhowch fanylion cyswllt ac fe drefnwn ni'r gweddill.
- Os ydych chi am **wrthwynebu**, llenwch y golofn olaf gyda'ch rhesymau. Mae'n bwysig eich bod chi'n cyflawnhau'ch penderfyniad yn wrthrychol ar sail rhesymau pam fod yn dal angen y ffôn talu. Mae annex 1 yn **nogfen arweiniol llawn Ofcom ynghylch â ddiddymu bocsys ffôn** yn datgan fod Rhwymedigaeth BT i Wasanaethu yn berthnasol i'r ffôn ei hun, ac nid y bocs ffôn. Mae'r ddogfen hefyd yn manylu ar y broses apelio sy'n rhaid ei dilyn o ganlyniad i wrthwynebiadau afresymol. Er enghraifft, byddai'n amhriodol i awdurdod lleol wrthwynebu i ddiddymiad bocs ffôn ar sail cadwraeth neu am ei fod yn cael ei ystyried yn dirlnod lleol.

Byddwn yn cymeryd yn ganiataol nad oes gennych wrthwynebiad i ddiddymiad y ffôn os yw'r wybodaeth ar y ffurflen yn anghyflawn, heb ei ddychwelyd, neu os nad oes mabwysiadu cymunedol yn digwydd. Unwaith bydd bocs ffôn yn cael ei symud, nid yw'n bosib i'w gael yn ôl.

Os oes gennych unrhyw gwestiynau, ebostiwch ni ar btp.authorisation.team@bt.com.

We'd like to remove payphones in your area so please tell us your views. Our 90 day consultation ends on 8 July 2021

Dear Chief Planning Officer,

We're continually reviewing the demand for our payphones and we've identified 16 public payphones in your area that aren't being used enough. We're proposing to remove them under the 90 day consultation process. The list of payphones is attached.

To make sure that the local community are fully informed, we've placed consultation notices (including the posting date) on these payphones. I've attached a sample copy.

Want to keep a phone box?

With payphones being used less, communities are looking at new ways of using them. Thousands have been turned into cafes, mini libraries and defibrillator sites. For just £1, most red boxes can be adopted. Plus, modern glass boxes can be adopted if communities want to house a defibrillator. Visit bt.com/adopt for more information.

Why do we want to remove payphones?

Overall use of payphones has declined by over 90 per cent in the last decade and the need to provide payphones for use in emergency situations is diminishing all the time, with at least 98 per cent of the UK now having mobile call coverage. This is important because as long as there is mobile network coverage, it's possible to call the emergency services, even when there is no coverage from your own mobile network provider.

Ofcom's [affordability report](#) found, several years ago, that most people no longer view payphones as essential for consumers in most circumstances.

What we're asking you to do

We'd really appreciate your help and feedback on whether the payphones are still needed.

Ofcom's [statement](#) gives local authorities the responsibility of consulting with local communities on removal of the payphone service. Ofcom normally expect these consultations to involve other public organisations such as parish or community councils and work within the terms of the Communications Act 2003.

What to do next

Please complete and return the attached annex with your decision on each payphone by email to btp.authorisation.team@bt.com. Please retain proof that the email was sent or apply a read receipt.

- Just select **agree** if you're happy for us to remove it.
- If the local community wish to **adopt**, please provide their contact details and we'll do the rest.
- If you decide to **object**, please complete the last column with your reasons. It's important that you objectively justify your decisions based on why the payphone service is still needed. Annex 1 in [Ofcom's full guidance about removing phone boxes](#) states that BT's Universal Service Obligation applies to the telephone, not the phone box. The guidance also details the appeals process we must follow for unreasonable objections. It would, for example, be inappropriate for a local authority to object to removal of a public call box on "heritage grounds" or because it is a local landmark.

We'll assume you have no objection to the removal of a payphone if information on the form is incomplete, not returned, or an adoption does not proceed. Please be aware that once removed, kiosks cannot not be re-instated.

If you've got any questions, please email us at bt.authorisation.team@bt.com.

Yours faithfully

Rick Thompson

Local Issues Raised with Denbighshire County Council CRM.

1. Dog Fouling.
2. Requested the pavement in Highlands Close be resurfaced, due to a resident falling on the uneven ground.
3. Following further concerns regarding traffic management in Hylas Lane the highway officer has agreed to draw up a plan for yellow lines on the junction of Hylas Lane/ Abbey Road .
- 4 Removal of graffiti in Rhyl Road is proving difficult, I have suggested removing/ replacing paving slab.
5. Raised awareness of Vans parking and blocking the pavement in Highlands Close, police officers attended the site and advised residents, the situation has now improved.
6. Had a meeting in Rhyl Road with a highway officer regarding the new planning application for The Rise. Residents have concerns regarding the height of proposed new builds , privacy and highway congestion .
7. Following the Census 2021 questionnaire there have been numerous complaints from residents who are receiving follow up letters asking further questions , they are told they will be visited if they fail reply to the letter. This is now being investigated.

a. Pentre Lane.

As a County Councillor it's very difficult to deal with different agencies for example the Castle Green development working with the County. The amount of my time dealing with work done by this company regarding connecting drainage systems to the new development has taken many hours. Denbighshire officers agreed in the end to improve the dropped kerb in front of Somavern, Pentre Lane - it's now much better than it was.

The other issue in front of Somavern still hasn't been rectified. The grass verge in front of the property was really destroyed and very shoddy. The sub-contractors for Castle Green Homes still haven't improved the verge.

Another issue is the path from Pentre Lane to the Castle Green estate residents who have lived in Pentre Lane surely deserved a path properly tarmacked. This again is ongoing.

b. Car sales on main thoroughfare.

This is also on going, Denbighshire officers can only follow rules. If only one car is for sale in a lay by, like in front of Abbey Court the rules are not broken, if there are two cars, the rules are broken. Cllr Gaskin and others have contacted the police on our behalf. One solution is to make the lay by a limited parking spaces, then possibly the problem will be moved on to another area.

c. Spilt paint

Again, this is on the same road. Parts of the pavement and the bin by the bus stop is covered by paint. One suggestion is to have the painted slabs removed and new bin and new slabs provided. We await!

d. Vicarage Lane Parking Area

I'm at a loss why we are waiting for this issue to be finished with. We aware that the health board are supportive, the County Highways Officer and the Town Council. Last answer from the officer it's with the County Legal Department. We await!

I refused to support a scheme to have electrical power stations on eight Denbighshire car parks - I abstained, one reason being was the fact that Vicarage Lane wasn't included. There were other reasons, possibly Vicarage Lane will have one in the future.

The Co-options Ltd clothes has now been removed.

e. The Cemetery

Good work from the officer in charge regarding initial drainage report. There are steps still to be taken before we have a final recommendation what should be done. Who will pay etc? How will it affect the nearby properties and field if at all? Our parking space near the Muga - will the area be affected, big machines digging in the space possibly. Could the area be made much tidier and marked out for parking spaces etc.

f. Welcoming signs.

Four of the 5 signs have now been installed by contractors employed by the County Council.

g. Speeding

Residents are still concerned with the speed of traffic , but in the increase of vehicles travelling into Denbighshire lately has slowed their speed down especially on the main thoroughfares during day times. One resident very concerned with the speed of vehicles coming in to the town from Meliden/ Prestatyn. The roundabout near the golf club is a constant worry.

h. Flood wardens

We have had a virtual flood warden meeting with Miss Gwenno Talfryn Cyfoeth Naturiol Cymru. Diolch Paul and Sian for your support on the night and Cllr Mike Elgin who will now chair the Food Wardens' meetings in the future.

i. White lines

The County have re-painted the white lines on the High Street including the disabled bay

j. The Nature Reserve

What a success this facility is. The parking area is always full during daytimes. Residents are clearing litter from the area quietly. We have an exciting project on the cards, as chair of the Rhuddlan Dementia Group I'm really proud that Denbighshire Countryside Services and the Management Group for the Reserve are working so well together to provide a Sensory Garden.

The number of birds seen here lately shows its success. Chiff-Chaffs, Swans, Coots, Mallards, Jays, Herons, Wrens, Goldcrests, numerous different kinds of Tits , Blackcaps, Goldfinches and my favourite the Bullfinch. The plants in the Reserve attract different species of insects including Butterflies.
