4. Police Matters

PCSO Williams stated the police have targeted Highlands Road & Princes Road in relation to speeding but had not found any excessive speeding issues. More streets will be targeted in the next 3 to 4 weeks. Members suggested that times around returning home from work be targeted in addition to the morning and afternoon school run times. The following streets were suggested as targets, A525 by Sainsbury's to Ysgol Dewi Sant, New Road, Dyserth Road, and the A547 entering Rhuddlan from Meliden. PCSO Williams will take forward the suggestions.

MS

The police had received complaints about vehicles not stopping at the High Street pedestrian crossing when lights are on red and asked Members for their observations. Two Members reported similar issues had been brought to their attention.

A Member reported seeing a vehicle using the Church Street car park for what could be abuse of a local vulnerable person, and an incident at a caravan causing criminal damage had not been identified on recent police reports. PCSO will investigate both these issues.

Another Member reported the presence of a white transit van parked on an informal layby on the Abergele Road as you leave Rhuddlan going towards Abergele. It has some damage to the front of the vehicle and has been there for about 3 weeks. PCSO Williams will investigate. Cllr Mike Kermode wanted to make the police and Members aware that an issue at his property was dealt with in a very professional and efficient manner.

PCSO Williams was thanked for his attendance and report, then left the meeting.

appendix 2

The Clerk had circulated his report in advance of the meeting and read through the various items of correspondence and project updates from the town plan.

Elements of the report were discussed - in particular:-

- Letter from Urdd Gobaith reference providing activities in Rhuddlan which will trigger a grant uplift to £500 as previously agreed, if confirmed.
- Cadw correspondence received regarding the placement of trees and benches on the Rhuddlan Town Banks contravening the Ancient Monuments & Archaeological Act 1979. Members were informed that a site meeting with Cadw had been arranged for Friday 17th February to discuss a way forward. It was agreed that the Mayor, Cllr Reg Davies and the Clerk attend. Proposed by Cllr Jackie Burnham, seconded by Cllr Val Simmons. **Resolved**
- Information had been circulated about the Shared Prosperity Fund which has a minimum grant value of £250k. Potentially there could be a smaller grants scheme emerging in the future.
- Various project updates included – the imminent provision of the SID's, the Community Centre road directional signs, and the plan for the circulatory path around Admiral's Field. Members decided to continue the Hwb delegated powers provision for the Mayor, Deputy Mayor, and Cllr Gareth Rowlands as it forms part of the Hwb project work. **Resolved.**
- It was proposed by Cllr Arwel Roberts, seconded by Cllr Jackie Burnham that the suggested removal of the tree and hedge should proceed. **Resolved.**

- The Hwb opening was discussed, a previous resolution had agreed a date of March 1st and that this date decision remains valid for 6 months. Some Members were suggesting a Saturday opening should be considered to allow more participation and awareness. After a lengthy discussion it was proposed by Cllr Arwel Roberts, seconded by Cllr Reg Davies that the opening on March

MS

1st should involve pupils from Ysgol Y Castell to participate, along with the Urdd, Welsh language performers, and any older residents groups. Cllr Jackie Burnham offered an amendment that Cllr Robert's proposal becomes the official opening, and a Saturday opening be arranged for residents. Seconded by Cllr Arwel Roberts. **Resolved.**

The report and project update were accepted

8. County Councillor Reports *appendix 3*

- a. Cllr Ann Davies gave a verbal report which included news on the Pentre Lane electricity power cut resolution, result of meetings with DCC officers reference the cemetery, drainage issues on New Road, and the continuing wild meadow issues particularly a meeting with DCC to discuss future sites in Rhuddlan. This was a heavily debated issue, and it was agreed that more accurate information should be provided by DCC for the next Council meeting to enable a response from RTC to be formulated. Noting the nearness of the deadline for comments and the DCC officer emails not being received in a timely fashion, it was proposed by Cllr Jackie Burnham, seconded by Cllr Arwel Roberts, that a letter be sent to Graham Boase, Emlyn Jones, and Jason McLellan requesting the deadline be extended. **Resolved.**

The report was accepted

- b. Cllr Arwel Roberts had circulated his written report and congratulated Cllr Ann Davies on the wild meadow work. Cllr Roberts took the opportunity to inform Members of an event as Chair of DCC at the Rhuddlan Fei Von restaurant on April 27th 2023.

The report was accepted

9. Mayors Newsletter *appendix 4*

The Clerk had circulated a drafted newsletter for Members to approve along with the costs of printing & delivering it to Rhuddlan households to showcase Council's work. Cllr Gareth Rowlands proposed the costs be approved, seconded by Cllr Val Simmons. **Resolved.**

10. Events Committee Minutes.

The Deputy Mayor explained that two meetings had taken place on January 24th. One was to review the Christmas Carol Event held on 18th December, and the other a public open meeting to give local groups the opportunity to discuss any future events they might be considering in 2023 to determine if they required any financial support from the Town Council.

- a. Review of Christmas Carol event – The rotary float referred to is from Prestatyn, not Rhyl. Cllr Arwel Roberts proposed that after this amendment being made the minutes are an accurate recording of the meeting. Seconded by Cllr Val Simmons.

Seconded by Cllr Val Simmons. **Resolved.**

Cllr Ann Davies proposed a best King & Queen Competition be organised which she will judge with the assistance of Cllr Val Simmons. **Resolved.**

In summing up Cllr Kermode requested that an article be placed in the parish magazine and that the next events committee meeting is on Thursday 2nd March.

11. Town Plan *appendix 6*

Cllr Mike Kermode presented a suggested methodology to review the current town plan, and to begin the preparation of a new town plan. After a short discussion Cllr Gareth Rowlands proposed the methodology be approved, seconded by Cllr Arwel Roberts. **Resolved.**

12. MUGA Lighting

The Clerk reported that two tenders have been received and one is outstanding for change to LED lighting with a control provision built in to make it easier to alter the frequency of operation. Members were reminded that there is already a budget provision of £10k for this matter and Cllr Gareth Rowlands explained the timing of the proposed works in response to a Members question.

13. Review of Policies

a. Financial Regulations – there were two changes agreed. 3.2 *No expenditure may be incurred that will exceed the amount provided in the revenue budget for that class of expenditure* shall have “unless approved by the Council” added. Under *Contracts* the phrase *Each tendering firm shall be supplied with a specifically marked envelope* be replaced with something more suitable to contemporary times.

The Clerk confirmed that Council does have a Register of Assets.

b. Code of Conduct – no changes but Members again raised concerns about the statutory nature of attending the training in a certain timeframe which is to be confirmed with DCC. The training policy currently states six months.

c. Local Resolution policy - no changes required but Members noted that the use of this policy is being actively encouraged and the council agreed to ask the monitoring officer whether the policy was suitable and to the required standard.

- a. Cllr Reg Davies reported that somebody had issues purchasing entrance tickets to the castle on the day. The Clerk understood that the prepaid tickets are for an annual pass and that Cadw state that day tickets can be purchased with cash on the day. He suggested that Members should try themselves and report back. Following a discussion on local residents free ticket passes Members agreed to circulate information of free passes which can be obtained at the library.

Mayor Mike Elgin's Report for January 2023 Meeting

On 1st February I attended at The Community Centre to join The Stroke Club members enjoying a fabulous Chinese banquet which had been supplied free of charge by The Fei Von restaurant in Rhuddlan.

Jessica Tran Tsang, one of the owners had approached me last month to identify groups of elderly people within the Town, as she and her family wished to celebrate Chinese New Year by donating food to suitable groups. She explained that in Chinese culture the elderly are highly respected by younger people and she wanted to do something similar at this time of a high cost of living. The Stroke club event was the first of 2 events, the second scheduled for Friday 3rd for The Lunch Club. Jessica and The Fei Von should be commended for this act of generosity.

I have been engaged with The Clerk in organising My Civic Sunday to be held on Sunday 12th February at St Marys Church and afterwards at The Community Centre. I anticipate a good turn out and hope to see as many fellow Councillors at the event. My thanks to The Clerk, the Community Centre staff and Rev Jayne Coxall for all the help I have had in the preparations

I have attended the following meetings during the month,

Meeting with the Clerk to draw up The Mayors newsletter

Meeting with The Clerk, Deputy Mayor and Cllr Rowlands to agree the location of signs in the High Street and Parliament Street for The Community Centre

Update from Mayor Mike Elgin – February 2023

I would like to update you with what Rhuddlan Town Council has achieved in the last year and what it is working on in the coming 12 months. Our new Hwb Rhuddlan community building, situated on Admiral's Field, will be up and running during February. It will provide two new public toilets, accessible during the day, as well as a multi-use room that can be rented out for meetings and other activities. The council is working in partnership with Denbighshire County Council with aim of establishing a Youth Club at the Hwb.

The council has exciting plans to construct a path around the whole of Admiral's Field; linking the play areas, outdoor gym, bowling club, allotments, MUGA and the Hwb. This will enable users of the facilities to access the toilets at the Hwb and be able to walk around the field without getting muddy shoes during inclement weather. It will also allow prams, wheelchairs, pushchairs and mobility scooters access to the facilities.

In 2023 there will be three new speed indication devices installed. These should help to slow down traffic coming into Rhuddlan on Meliden Road and another on Rhyl Road as you leave Rhuddlan towards Sainsburys. There are ten Community Markets planned and the dates are listed in the diary overleaf. The council are working with a local web development team on a council funded tourism website which is aimed at bringing more visitors into the town to support the High Street and other local businesses

The council financially support many local groups and organisations and make a significant financial contribution to the costs of our library. The council also funds and organises community events such as the annual Gwledd food festival, carols around the tree and Remembrance Sunday. It maintains both Admiral's Field play area, the Outdoor Gym and Multi Use Games Area in addition to the Vicarage Lane play area. The

council also fund the Christmas lights, bus shelters, free car parking in Parliament Street and the provision of life saving defibrillators.

This year the council's costs have increased, like everything else and it is keen to continue making Rhuddlan a great place to live, visit and work as well as being a safer and healthier place. To continue the work the council has had to raise its Council Tax precept from April. This means that most households will be paying an extra 63p a month. Last year each household in Rhuddlan contributed just £8.60 per month to pay for all the work carried out by Rhuddlan Town Council. This is the first increase in the precept in two years and will allow the council to continue with its improvement plans as well as delivering its day-to-day activities.

May 2022 saw a newly elected council in Rhuddlan, with three new councillors joining us. These were Ivor Beech, Val Simmons and Robert Williams. The new council will be refreshing the town plan in the coming months and this will be published and delivered to every household later in the year.

Item 11

Rhuddlan Town Council

9th February 2023

A New Town Plan for 2023 to 2027

The new council has now been in place for some 8 months and it is a good time to review the Town Plan. This can be done in a number of steps:

1. Councillors review the present town plan individually so as to consider:
 - 1.1 Are the council's Vision, Role and Purpose and its overall aim, still valid?
 - 1.2 Should all of the items in the plan be carried over to the new plan?
 - 1.3 What new items might be included in the new plan. If a councillor has proposals for a new item they need to identify:
 - Its main benefits,
 - Its estimated costs,
 - What timescale might it need,
 - Are there any key partners
 - What are the potential problems and challenges from it.
2. There will then be a special meeting of the council solely to discuss the new town plan. At this meeting the council's Vision, Role and Purpose and its overall aim will be re-stated or modified. Then, councillors will consider the various proposals in the old town plan and any ideas put forward for the new town plan and decide which should be included and which should be left out. This will be on a simple majority vote on each proposal. This will then give a list of proposals in no priority order.
3. After the meeting, the list of proposals will be circulated to councillors and they will be asked to rank them in their priority order. The various priority listings from councillors will then be aggregated to give a corporate priority list.
4. The corporate priority listing will then be considered at another special meeting of the council; where final shape of the new plan will be finalised and agreed.
5. Once the new Town Plan has been finalised and agreed it will be copied and distributed to all households in the town.
6. It will help if a realistic timetable is set out and it is suggested that this should be one that gets to the final agreement of the new Town Plan by the end of July with public distribution in August.
